About Our School

Our History

2001

Pierre van Ryneveld Christian Academy was established in January 2001 in the nursery school building previously known as Pierryntjie Nursery School using the ACE curriculum. Since the beginning, PvRCA opened its doors with a total of 16 learners: eight GRADE 1's and eight other learners in the rest of the school with a total of 2 teachers excluding management.

2003

During 2003 we built the double story classroom but only completed the top story, leaving the bottom part open for more playground area.

2007

Finally in 2007 the ground floor was completed after we got permission to use the playground area next to the school.

2012

A sport's ground for our students was developed at the end of 2012.

PRESENT

The school building now consists of 13 classrooms including the Computer Class and Media Centre. In 2015 we added the **IMPAQ** curriculum making it possible to write the National Senior Certificate. This is a significant development in the school's future as by this we now make it possible for the whole community to get schooling in both **English and Afrikaans**.

Statement of Faith

We believe in:

1. The inspiration of the Bible, equally in all parts and without error in its origin;
2. The one God (eternally existent Father, Son and Holy Spirit) who created man by a direct immediate act;
3. The pre-existence, incarnation, virgin birth, sinless Life, miracles, substitutionary death, bodily resurrection, ascension to Heaven, and the second coming of the Lord Jesus Christ;
4. The fall of man, the need of regeneration by the Operation of the Holy Spirit on the basis of grace alone, and the resurrection of all to life or damnation; and
5. The spiritual relationship of all believers in the Lord Jesus Christ, living a life of righteous works, and witnessing of His saving grace through the ministry of the Holy Spirit.

Extramural Activities

Extramural activities form an important part of any child's development. That's why at PvRCA we provide learners with activities ranging from Sports to Arts & Culture. Here's what we offer:

Sport – SACSSA

We are a Christian Organization, which organizes sporting events for Christian Schools in the Gauteng Region.

We currently cover these sports:

- Athletics
- Six-a-Side Soccer
- Netball
- Volleyball
- Swimming
- Table Tennis
- Chess
- Cross Country
- Official's Courses

Sport under the Christian Schools started to become more prominent and structured, as from 1991, when principals realized that one of the first questions often asked by prospective parents was: What do you offer in terms of sport and which organization do you belong to?

Up to that point, the answer was always a bit vague and principals tried to avoid the question. Almost simultaneously, in 1991/92 a group of schools in Transvaal, under ACS (The Association of Christian Schools) and ACE in Natal, started to put structures in place to offer sport on a more organized basis...
